Covid-19: Measures for prevention

The health of customers, suppliers, partners and employees is our top priority.
In order not to take any risks, we have decided to adapt our preventive measures.

- Did you have contact with a person suffering from Covid-19?
- Are you currently suffering from cold symptoms?

If so, please refrain from visiting the Gühring company premises in person.
Please wear a mouth and nose cover when visiting the Gühring company.

Please consider:

The Federal Government is continuously examining the extent to which areas are to be classified as risk areas. You can find this updated daily on the website of the Robert Koch Institute (https://www.rki.de/DE/Content/InfAZ/N/Neuartiges_Coronavirus/Risikogebiete_neu.html)

Changes to the entry and quarantine regulations are sometimes made without prior notice and with immediate effect.

Therefore, please check immediately before your visit to Gühring whether you have stayed in one of these areas within the last 14 days before entering Germany. In these cases we have to ask you to postpone your visit.
